Mr. Richard Porowski

February 19, 1998

Dear Richard:

I received your letter today. I thought I would answer it by e-mail so that there would be little delay in my response. I do not know where the name Porowski came from or where in Poland the ancestral family resided. One time I did try to look up the word ***porow*** and I found out it was something like the possessive of Lieutenant's.

From the information that you sent, I don't think we are related at least on the American side. Whether there could be a relationship from Poland is another story. I do know that my father's father (my grandfather) came here around the turn of the century to work as a coal miner in Pennsylvania. I understand he went back to Poland before WWI because he didn't care for it here. He was going to send for his family but the war started and that's the last they heard of him.

He had a brother named Frank who according to my father lived in Bayonne, NJ but other than that that's all I know. I've included a copy of the family tree from my perspective and it goes back on my mothers side to the mid 19th century in Poland. However, much of that information is rather sketchy. I would appreciate if you would keep me informed about your progress in this matter. I did some work on it a couple of years ago and then lost interest. Your letter has piqued me to try to get more information.

By the way, I have listed two e-mail addresses on the letterhead. The first, demekos is for standard e-mail, Juno does not let you attach drawings or pictures. If you have a chart you want to send, e-mail it to the second address.

Good luck on your search.

Bob

Hi,
We were surprised to get your letter in the mail. Didn't know exactly what you would want, but here's as much information as we could quickly get together. John and Alice (Urban) Porowski came from Poland to the United States. Their children were Adam Porowski, Walter J. Porowski, Dorothy or Eleanor Porowski, Mary Porowski, John Porowski, Helen Porowski, Joseph A. Porowski, and one unnamed baby boy that died as an infant. This family lived in Ralphtown, Penna. in Somerset County initially. My father was Joseph A. Porowski. He married Helen Zieminski. They had three sons, Walter Joseph, Donald Michael, and Edward John. Walter married Judith Ann Barnes and had one son named Russell Joseph. Donald is divorced with no children. I (Edward) married Nancy Faye Miller and have two daughters, Courtney Dyan and Dawn Michelle. My uncle John Porowski's (mentioned above) family initially resided in Southbend,Indiana. If I can help you with any more information, please let me know.

Good Luck,

Ed Porowski

Hello MR. Porowski, 6-3-98

My name Also is Porowski; Hi, I'm John and you wrote to me some time ago Concerning your research into your family tree. Sorry, its taken so long to return this letter to you.

A friend of mine has A Computer And She has told me that She has Come ACROSS A Number of Porowski's on the Internet. And All this time I thought it was an uncommon name.

Well, perhaps it is A bit more uncommon then Smith or Jones And it would be interesting to follow my family back to see how we all began.

Anyway, Richard, I hope what little I have to offer will be of some use to you.

By the way, I noticed a person with the name 'Gladstone' in ~~t~~ your family tree. I came across that name not too long ago And took an ~~int~~ instant liking to it.

Well, good luck to you in your research And if it turns out were related let me know. Nevertheless, Anyone with the name Porowski has got to be a pretty Great guy, it's Such A great name!
